About the Centre

The Loftus Community Centre has a history dating back to 1978 and is a not for profit, independent Centre run by a voluntary Management Committee.

The Centre aims to create a safe place where people of all cultures, ages and abilities can learn, play and have fun together.

A variety of courses and activities are available for all. Please call into the office for further information.

Our Program

The program is designed using the National Early Years Learning Framework (2009) and adheres to the principals and practise outlined in the EYLF document available from the office. The program promotes:

- A sense of identity
- Community spirit
- A sense of well being
- Confidence
- Involved learners
- Effective communication
- Creativity

Loftus Three Plus Pre-Kindy

- The Children will engage in a wide variety of experiences such as Craft, stories, drama, singing, games, role play and building during every session both indoors and outdoors
- Parents are welcome to participate by joining our parent roster
- An Early childhood Educator and Educators Assistant will care for and educate the children
- Our service is approved by the Department for Communities, Education and Care Regulatory Unit (Western Australia)
- Children **must** have had their third birthday before they may attend the program.
- It is expected that all children are toilet trained before attending kindy

Facilities

Our purpose built early childhood environment provides the children with a safe and engaging play space which includes a covered outdoor play area.
